

## Latest news from the beach ...

### April already?!

Spring is upon us and it's only a month until the beach season starts! Here's a quick run down of what's happening in the forthcoming season.

#### Tuesday League

League starts Tuesday 4th May from 6.30pm on Exmouth Beach. The first week will be an informal session getting used to the sand. Matches will start from 11th May and will be timed to start at 7.00pm. This year we are hoping to offer coaching for all levels and evening events during the season so watch this space!

If you are planning on playing regularly during the season and have storage for a net, please let us know as we have obtained new equipment during the winter and garage & shed space is becoming somewhat limited!

Looking for a partner/team? Let Ali know and she can add you to the looking for a partner/team section on the home page of the website.

#### Merchandise

Our [online shop](#) is up and running for various volleyball clothing items. [Dave Reece](#) will be making a pre-season order on the 9th of April. If you'd like to order anything, let Dave know what you're after with payment in advance please.

#### Tournaments & Sponsorship

Dates for our summer tournaments have now been set and we'll be looking for an event crew. If you're interested in helping out on the day please let [Dave](#) or [Ali](#) know.

We're always on the hunt for new sponsorship so if you or your company might be interested in sponsoring the club or any of our events, please contact [Dave Reece](#) to find out what's on offer.

#### Pre-season Knockabouts

As with last year, if the weather is nice during April we'll be hoping to have some pre-season knockabouts on the beach. As this newsletter is typed snow has been falling in Devon but we live in hope. If you're up for playing during weekends in April please let [Ali](#) know and she'll keep you posted.

That's all for now. Hope to see you on the beach in May if not before!
